

## cu@wallaroo - Catering

**We offer delicious catering packages for guests, which can alleviate the complexity of feeding larger groups. We always use fresh local produce to prepare our tasty meals and even fussy eaters think our food is fantastic!**

**Have a look at our Sample Menu.**

**We are happy to modify a menu to suit your requirements.**

**We can make recommendations for your group based on numbers, your itinerary and seasonal availability.**

**We are also happy to provide for Special Dietary Needs.**

**Our catering package starts on the first day with Afternoon Tea and concludes with Lunch the following day. Prices start from \$35 per person per day.**

**If group numbers are suitable, we can provide an Italian wood-oven pizza making experience. It is an interactive evening where everyone gets involved and has fun making pizza for dinner [dessert pizza too] It is great to do this on the first night as an "icebreaker".**

- **We welcome guests to come into the kitchen and help themselves to tea & coffee and filtered water at any time.**
- **However we do ask that you keep clear for an hour prior to each meal-time and after each mealtime during clean-up.**
- **To assist with clean up we appreciate help from a team of 6 "dishies" after each meal to dry dishes, wipe down tables and sweep up any spilled food.**
- **We provide a separate fridge in the alfresco area for any "outside" drinks and snacks.**
- **It is a \$600 set-up fee plus \$35 per person per day with a minimum charge based on 30 people.**
